(19 pp.)

NEW BOOKS AND BRIEFS

AGRICULTURE

[Guidelines on rice production in Fiji](#)
These guidelines offer support to trainers of local farmers in all aspects of rice crop management, including sowing, fertilization, water management and yield calculation, in order to revitalize the rice industry and alleviate dependence on imports.
(Apia, 19 pp.)

[Manual para la construcción de invernáculos](#)
This guide explains the advantages (stable environment for growing crops all year) and disadvantages (high cost) of greenhouses, describes different structure types, and guides the user through the construction process. **(Montevideo, 16 pp., available only in Spanish) FAO & Sistema Nacional de Emergencias (SINAE)**

ECONOMIC AND SOCIAL DEVELOPMENT

Ley Modelo de Agricultura Familiar del PARLATINO: Bases para la formulación de leyes y políticas públicas en América Latina y el Caribe

This publication reviews the Model Law developed by the Latin American Parliament in order to strengthen legislative frameworks and improve the livelihoods of small-scale farmers. **(Santiago, 52 pp., available only in Spanish)**

FISHERIES AND AQUACULTURE

Mid-term strategy (2017–2020) towards the sustainability of Mediterranean and Black Sea fisheries: five targets, selected outputs, proposed actions

A strategy for sustainable development of fisheries – including increasing fish stocks, supporting livelihoods in coastal communities, and curbing illegal fishing – in a context of inconsistent development and geopolitical challenges. **(24 pp.)**

GENDER

Jinsia na haki kuhusu ardhi

This publication in Swahili on gender and land rights analyses the role of women in Kenya's agriculture and identifies constraints (such as insecure land rights) to their participation. **(Nairobi, 42 pp., also available in English) FAO & Kenya National Land Commission**

Zimbabwe Country Gender Assessment Report

This report reveals gender disparities in Zimbabwe's rural sector in access to productive resources, assets, services and opportunities. It suggests means to improve women's livelihoods, promote their access to land and strengthen their leadership. **(Harare, 60 pp.)**
