FAO fisheries and aquaculture circulars

## Global review of safety at sea in the fisheries sector

Drawing on previous surveys and country statistics, this report gives a regional overview of safety at sea, particularly for the small-scale fisheries sector. It notably focuses on vessel design, data recording, legislation and fisheries management.

136 pages | 210 x 297 mm | ISBN 9789251305072

Download PDF

## GLOBEFISH highlights – Issue 2/2018

*A quarterly update on world seafood markets*

Global fish production increased by an estimated 2.3 percent in 2017 and aquaculture harvests grew at a rate of 4–5 percent a year. In 2018, the global fish supply outlook is mixed and the threat of unexpected shocks due to extreme weather events persists.

80 pages | 210 x 297 mm | ISBN 9789251306574
